

Top OKC Wealth Management Firm Changes Name

OKLAHOMA CITY, Okla. . February, 2011, Puckett Financial Advisors . a top Wealth Manager in the United States . has changed its name to Align Wealth Management.

Named a Top Wealth Manager in the United States by *Wealth Manager* magazine 5 years running, Align Wealth Management provides fiduciary wealth management services on over \$120 million, with average assets under management per client of \$975,000. Align maintains offices in Oklahoma City, Oklahoma as well as St. Petersburg, Florida.

Managing partner, Brian Puckett said: "We believe our new name reflects our team culture and our unwavering client focus. We want to be clear that this is a change in name only ó all of our core principles and beliefs remain the same. All of the relationships, the services, and the strategies remain the same ó with the client's best interest at the center of all we do. Our ownership and our philosophies have not changed. We remain Client Focused. Period."
