Puckett Financial Advisors Named Top Dog by Wealth Manager Magazine

Local Wealth Management Firm makes Annual “Wealth Masters” List

OKLAHOMA CITY, OK (July 2, 2007) – For the second straight year, Puckett Financial Advisors has been recognized by Wealth Manager Magazine as one of America’s top financial advisors in its Top Dog Report. Puckett Financial Advisors is one of 464 top financial advisory firms nationwide that are 1) registered investment advisers, 2) report more than \$50 million in assets under advisement, and 3) have predominantly individual clients. Ranking is based on size of average client relationships. Puckett Financial Advisors now manages over \$96 million for an affluent clientele and has grown over 30% during the past year.

About Puckett Financial Advisors, LLC

Based in Oklahoma City, Puckett Financial Advisors, LLC is a fee-only SEC registered investment advisor that provides comprehensive wealth management to individuals, families, trusts, corporations and non-profit organizations. The firm’s core services include: Investment Management, Retirement Planning, Estate Planning, Business Retirement Plans, Risk Management and Insurance Planning. Through a high level of professional guidance and hands-on management, we strive to impact your

financial well being immediately and simplify your life. Our overarching mission is to make a long-term difference by consistently building up both our clients' assets and overall peace of mind.
